Your personal Print@home-Ticket

Dear Mr. Barot,

Welcome to IAA MOBILITY 2023.

Your personal Print@home-Ticket gives you direct access to the event. You can present your ticket printout or as a mobile ticket on your smartphone/tablet. The barcode on your ticket will be electronically scanned when you enter and leave the IAA MOBILITY area. The ticket is not transferable and is copy-protected for your own safety.

Download the IAA MOBILITY app and find ticket, programme overview and exclusive events for app users in one place.

This ticket entitles you to use public transport (MVV ticket for zones M–6) on the day of your visit. Important! To use public transport, you must have your Print@home-Ticket printed out and with you. You cannot use public transport with your Mobile Ticket. Please have your photo ID ready when you go through a ticket inspection. You will find all travel information at: iaa-mobility.com/arrival

We are looking forward to welcoming you!
